

Safe Harbor

Ignition Interlock Provider

The MOST Trusted, Accurate Ignition Interlock Provider

**Question's
you should
ask any
Interlock provider.**

Q: Can you see your Interlock Data?

A: Yes with Safe Harbor you're able to view your Interlock Data anytime 24/7

Some companies request you hire an attorney to request copies of your Interlock Data. Not with Safe Harbor you have access to all of your information 24/7 with our "My AZ Safe Harbor Client portal".

Q: Can you explain a violation error?

A: Yes only Safe Harbor gives you the opportunity to explain your violation using our secured My AZ Safe Harbor client portal.

At Safe Harbor we understand things can happen and we give you the opportunity to explain your violation simply by logging on to our secure "My AZ Safe Harbor" client portal and logging your event online for future evidence of your innocence.
